Enthusiastic and self-motivated plonker with 5+ years of experience. Eager to join Blackoak and bring my skill in making brews, and talking absolute rubbish to every project that will be received in the future.

Experience

Freelance Plonker

2017 - Present

- Took an online course to learn more about being a plonker and management, and successfully finished the course with the highest score
- Designed a plan for a local bunch of dossers by applying the skill received from the course and years of experience as a plonker, which resulted in the improvement of their website performance and web traffic by 46%
- Won the second place in the plonker competition held by Piers Morgan and received award money

Apprentice Plonker - Heartwood Designs

2014 - 2017

- Fanned about with the official website for improvement and expansion purposes, which produced a very satisfying result with an improvement on its failure to perform by 30%
- Assisted the creative team to create a mess in the toilet
- Received an award for giving the manager a wet willy
- Appeared on the local web magazine cover
