Personal Statement

I am a hardworking and resourceful individual with hands-on experience in vehicle maintenance, customer service, and technical projects. Through my work experience at National Tyres and Macadams, I developed practical skills in diagnosing and repairing vehicles, as well as working efficiently in a fast-paced environment. My passion for problem-solving extends beyond mechanics and I enjoy tackling technical and creative projects, from designing innovative products to exploring digital marketing. I take pride in my strong time management, teamwork, and attention to detail, always striving to improve and adapt to new challenges. I am eager to apply my skills and grow professionally while making a valuable contribution to any team I join.

Work Experience

Macadams Volunteer Mechanic Feb 25 – Feb 25	In my two weeks of work experience i help to remove and replace body panels and interior trim pieces, replaced brakes pads and brake disks, removed an engine from a scrap van.
Age UK Lancashire Day Club Volunteer Gardener Jan 25 - Feb 25	Whilst volunteering me and my team on the King's trust program helped to do gardening painting and general tidy up.
National Tyres and Autocare Volunteer Jun 23 – Jul 23	In my two week work experience i learnt how to remove and replace worn out tyres, learnt how to fully service a vehicle to a great standard and also learnt how to do an MOT.

Skills

- Works well in a team
- Supports others
- Good Leader
- Meeting deadlines
- Flexibility
- Responsibility

Hobbies and Interests

I have a strong interest in gaming, walking, cycling, and running, which help me stay active and disciplined. I am highly passionate about cars and eager to learn more about how they are built and how they function. I also enjoy music production and aspire to create my own songs or explore DJing. My interests demonstrate creativity, technical curiosity, and a willingness to develop new skills.
